

JUNIOR SARR

Cybersecurity & Computer Science Graduate

Leipzig, Germany (open to relocation) | +49 1747726568 | Jr.b.sarr@gmail.com | [linkedin.com/in/junior-sarr-a638ab239](https://www.linkedin.com/in/junior-sarr-a638ab239) | github.com/Jimalda

PROFILE

Cybersecurity graduate with a First-Class BSc in Computer Science and a First-Class MSc in Cybersecurity (Lancaster University), plus 13 months' industry experience automating software quality assurance in Python. Comfortable across both security (Cybersecurity fundamentals, PKI/certificate authorities, penetration-testing fundamentals, network security) and development (Python, Java, C, JavaScript). Seeking a Junior Cybersecurity or Junior Software Developer role.

PROFESSIONAL EXPERIENCE

Teaching Assistant — Lancaster University Leipzig *Oct 2024 – Apr 2025*

- Helped running lab sessions as demonstrator for **Human-Computer Interaction**, **Computer Networks**, and **Secure Cyber Systems** modules, supporting around 25 students per session.
- Gave individual feedback that helped students strengthen their grasp of HCI principles, core cybersecurity concepts, and the IMUNES network-emulation tool.

Test Automation Engineer — Ipoque GmbH *Feb 2023 – Mar 2024*

- Built automated **Python** test suites for software QA using image-recognition techniques and the **Squish** GUI-testing framework, reducing manual regression-testing effort.
- Wrote data-processing functions to automatically parse and retrieve target values from **JSON** test-result files.
- Refactored existing test code for clarity and maintainability, improving readability for the wider QA team.

EDUCATION

MSc Cybersecurity — Lancaster University *Oct 2024 – Sep 2025*

university ranked #132 globally for Computer Science (QS 2025)

- First-Class Honours — 72% (GPA 4.00/4.00)
- Thesis: Certificate Authority Tool Implementation (PKI / x.509 certificate infrastructure)

BSc Computer Science — Lancaster University *Oct 2021 – Jun 2024*

- First-Class Honours — 71% (GPA 4.00/4.00);
- Thesis: Automated Drug Interaction Checker

French Baccalaureate, International Section — Lycée des Mascareignes *Aug 2019 – Jun 2021*

- Highest Honours, Mention Très Bien — 16.62/20 (GPA 4.00/4.00); specialised in Mathematics, Computer Science and Physics

CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals — Apr 2026 (cloud computing concepts and core Azure services)

LEADERSHIP & VOLUNTEERING

- Founder, LU Leipzig Game Development Society** (2025) — Built and ran a student game-dev club; led a team that developed a playable game in 48 hours at Global Game Jam 2025 using Godot, Git and Python.
- Volunteer, Leipzig Long Night of Science** (Jun 2025) — Assisted with a hands-on cybersecurity workshop introducing participants to basic penetration-testing concepts.
- Class Representative** (2022/23 & 2024/25) — Liaised between students and university staff to improve academics and student life.

SKILLS

Programming: Python, Java, C, JavaScript, HTML

Security: PKI / x.509, penetration-testing fundamentals, NIS2, GDPR compliance awareness, Kali Linux

Tools & Platforms: Git, GitHub, GitLab, MySQL, SQLite, Linux, Windows, Squish, Azure (Cloud Computing), GitHub Copilot

Languages: French (native), English (proficient), German (intermediate)
